President's Report

Hello Members,

Hope you all had a relaxing Easter break, we have had some well attended runs and events in the last couple of months. The 2024 National Meet was very good and was well attended by members from our Club. At this stage the South Australian Sprite Car Club is looking at holding the next national meeting in 2026 more details will be made public in the next few months.

The next biggest day on our Club's calendar is Sprite Expo 2024. We will be having the event on the 2nd June at Pelican Park Clontarf. I would like to encourage all members to save this date and come along on the day to support your club. If there are any members who would like to help out on the day with parking of cars, judging of cars, selling raffle tickets and helping with the sausage sizzle please let me know as it would be greatly appreciated.

This month's general meeting is back at the Club house, there will be no food available before the meeting but there will be coffee and nibbles/cake available after the meeting for members. If you are free on Friday night all members are invited to come along, I look forward to catching up with you there or at the next Club outing.

**Thanks Mark Gillman.
Club President.**

The Gold Coast Chapter run - March 23

This run was organised by Mark Gillman. We met at Yatala Pies and then left at 4.30 pm to drive up Mount Tamborine to an Italian Restaurant. The owner's Mini was parked outside. Wayne and Glenda Rabnott met us at the restaurant. A very enjoyable night. (I was glad to get off the mountain later that evening)

Breakfast Run to MT Mee - February 11

After the continuous rain we had been having we woke Sunday morning to a lovely sunny day – great day for a Car Club Run.

9 Cars turned up to our place by 7.30am, with everyone keen to check out Keiths Race Car Bluey.

We left about 7.45am heading towards Petrie, then out to Dayboro, turning up Mt Mee Road. We all stayed together fairly well, although when we arrived at The PitStop Café, we learned that Scott had had a problem with his Muffler pipe. Luckily Rod C. had a strap in the back of his car that wound around the muffler pipe to support it so Scott didn't lose it on the way home.

We arrived at The PitStop Café to find two more couples had arrived before us, as they live on the northern side of Mt Mee.

Breakfast was ordered and lots of chatter between friends.

The food was lovely and the coffee hit the spot. A small shower of rain sent some on a run to cover our cars, but it didn't last long and we had a fine trip home.

Unfortunately Cheryl, Leona and Anita were unwell and could not come on the run, hope you all feel better really soon.

Scott got home in one piece with the Muffler still supported by Rods strap.

A great run with 18 of us enjoying getting out and having a meal together.

Karen & Keith Gordon.

The Trip to the Sprite & Midget Nationals - Wodonga

Show and Shine at the Sprite & Midget Nationals - Wodonga

Junction Square

Sprite and Midget Nationals Wodonga, Vic 23-26th March 2024

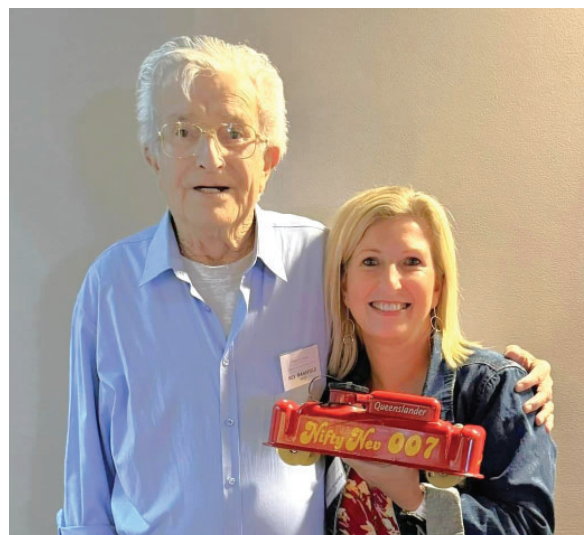

92 delegates from Qld, Vic, NSW and SA gathered at the Blazing Stump Motel, Wodonga by Friday afternoon 23/3/24. We had a lovely evening meal and meet and greeting everyone, old friends and new. We were given our goodie bags, and were told there was a special surprise to be handed out on the Monday night.

Saturday shone bright and sunny. We had our Shannons Show and Shine at Junction Square, in the main street of Wodonga. 32 cars in total were on display.

At 11am we were given our lunch packs and instructions for the Navigation/Observation Run. The clues were cryptic, so quite a few made some errors in the beginning, then, once we got the hang of it we pushed on. Stopping at Myrtleford for lunch we continued on, trying to answer the questions as they arose. Getting almost to the end, we realized that we were supposed to collect a white pebble, a red head match and a yellow flower – oooops, pebble easy, no yellow flowers could be seen, and the servo beside the motel happened to sell matches, so a bit of hit and miss with everyone. At dinner some of us looked a little red faced - perhaps it was the sun or was it the embarrassment after our Observation Run scoresheet was submitted?

Happy hour was sponsored by the Victorian Club, with lots of Memorabilia and Regalia on show.

Rocker Cover Racing was taken very seriously and under orders of our starter, Nev Mansfield, 'vehicles' were presented that both pushed to the boundaries of the Sup Regs and displayed great style. Trudie Morrison's racer came first. Keith Gordon's racer came 3rd.

The pinnacle of our evening was our virtual tour of The Healey Museum in the Netherlands and what a treat that was! It was hosted by Albert Hartink, who is the manager of the Museum, located at Vreeland in the Netherlands. (hate to think what time it was there) This tour lasted about 45 mins.

Sunday our competitors headed to TAFE motorsport park and our social delegates headed to Beechworth.

Another great day at The Sprite & Midget Nationals beckons.

The competition delegates had a sensational day at the racetrack, incident free and just pure driving pleasure! - and social delegates a tour of Beechworth Asylum kindly led by owner George Fendyk. The boys from Kerrupjmara Meats put on a great lunch for us before we then headed off to The Chinese Cemetery & The Chinese Burning Towers. There was a pleasant stop off at Beechworth Berries for ice cream and berries on the return trip to Wodonga.

Happy Hour with memorabilia supplied by the Qld Club, was again a great hit before we ventured to dinner where the highlights of the night were our Auction, guessing the driver of the little cars (whose helmets and race gear had been changed) and Spark Plug Changing competition.

Trudie came second.

Greg Corbin had arranged a zoom interview with Tim Hain, live from the UK. Tim is an author, a musician, and, I think, a comedian. He was very animated and enthusiastic in his presentation. He spoke for about 45 mins, on his new book – “Lap of Honour”: a photographic Journey with Sir Stirling Moss. He told great stories of the people he met and things he had done.

Monday our competition delegates headed off for their Motorkhana at Jindera, social delegates to Corowa with stops along the way during the day that will be of great interest.

The first stop for the socials was the very regal building called Adamshurst House. It was fascinating and our host Archdeacon Fr. Peter M-M was thoroughly entertaining – he could talk all day underwater with a mouthful of marbles. The house was very old and historic, with lots of original Art Works, Books, costumes etc.

After a relaxed lunch beside the Murray River, we went to Max's Motor Museum. A great collection and the Merlin engine had the Corellas very worried when it fired up! And there was a couple there that were already dressed for tonight's dinner! Then it was on to the Whiskey Distillery and Chocolate factory for a tour and a taste. The building is a repurchased flour mill bought in 2009 from the Council for 1 dollar! All in all a good day.

Time to get back and get dressed for our Gala night – Roaring 20's and Gatsby theme.

The NSW and SA Clubs had their Happy hour event, with lots of memorabilia on show.

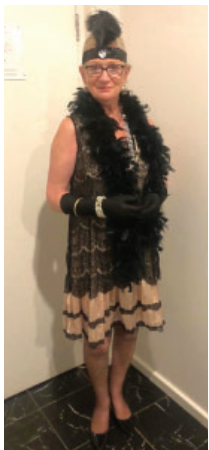

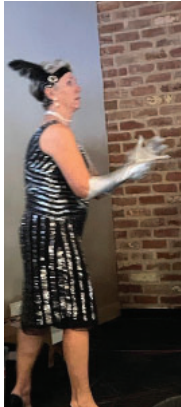

Gala night approached, and didn't we get some looks from the locals!! Everyone dressed to the hilt. It was awesome.

At the table-
Brian, John,
Trudie, Nev,
Keith, Karen,
Brian & Kay,

Presentations were made to the various people that earned the most points in the Show and Shine Peoples Choice, the Sprints, the motorkhana'. There were awards for best dressed male and female, a couple of raffles, and an Auction with multiple prizes, The 2 major prizes at the Auction were a SIGNED copy of Tim Hains book – Lap of Honour, a photographic Journey with Sir Stirling Moss, and the second was a beautiful painting of a Bugeye and a Spridget in a country setting. It was lovely.

Then it was time for our Mysterious Special gift. Greg and Terri had organised to get photos of everyone that attended the event, then got caricatures of all of us drawn in our cars. It was so well done – very special.

Tuesday we had a group hot breakfast at the Motel before everyone headed home.

A couple of little hiccups with our Club during the event

- Brian Bond having trouble with his clutch. 6am, jacked car up, climbed under to check spacing. All looked good. Slid seat forward so he could push clutch further in - all fixed
- Matt Creagh got a broken Windscreen in his Sprite.
- Alex Robertson lost 3 wheel nuts on his motorhome on the way home. Ended up with RACQ flying him home, motorhome in for repairs, the RACQ driver is looking after Alex's race car at his place. When motorhome is fixed RACQ will fly him back to pick it all up so he can drive it all home.

Honestly, it was so much fun. South Australia are in talks at the moment to consider doing the 2026 National Challenge. If they find they cannot make the commitment, then Queensland will consider taking on the challenge. You have 11/2 years to consider attending. We had about 10 newbie Queenslanders attend this year, and from what I have heard, they will all be looking forward to, and attending the next one. The more the merrier, so think about it, and commit to it.

Karen & Keith Gordon
